## Hong Kong PhD Fellowship Scheme

Established by the Research Grants Council (RGC) since 2009, the "Hong Kong PhD Fellowship Scheme" aim to recruit talented students from around the world to Hong Kong to undertake PhD studies. The Fellowship provides the following for each awardee for three years of studies:

- A yearly stipend of USD38,610 (~ HK\$301,200); and
  - Conference and research related travel allowance of USD1,61 (~ HK\$12,600) per year
- In addition, CityU will award each successful Fellowship recipient the Chow Yei Ching School of Graduate Studies Entrance Scholarships at a value of USD9,930 (i.e. HK\$77,496), which cover students' tuition and on-campus hostel accommodation fees in their first year of research studies and a full stipend to support the 4th year of PhD study. Various types of financial support will be provided to eligible students to undertake research related activities and to attend international academic conference.

## PhD studies in management

The department of management offers exceptional research opportunities in organizational behavior, strategic management, international business, and related areas. We make every effort to actively involve research students in research activities, both to enhance the quality of their training and to improve their placement prospects upon graduation. Our exceptionally productive research culture and our one-on-one attention to our research students provide an excellent atmosphere for our students to do research and to excel in their research pursuits.

Our faculty and students have published in top-tier journals such as Academy of Management Journal, Academy of Management Review, Administrative Science Quarterly, Journal of Applied Psychology, Journal of International Business Studies, Journal of Management, Organizational Behavior and Human Decision Processes, Management Science, Personnel Psychology, and Strategic Management Journal.

Our PhD students come from different parts of the world with varying backgrounds. Our PhD programme helps students acquire advanced knowledge and research skills in specialized areas. Many of our PhD graduates are working as faculty members in universities worldwide. Some of the universities include Rice University (USA), Durham University (UK), The University of Leeds, (UK), Lingnan University (Hong Kong, SAR, China), The University of Nottingham, Ningbo (China), The University of Macau (Macau, SAR, China).
